FADE IN:

EXT. APPLE ORCHARD - DAY

APPLEJACK and TWILIGHT are walking back to the barn, carrying apples. SPIKE is sitting on Twilight's back.

SPIKE
(during the following
conversation)
No. No. No. No.

Spike is throwing apples after each 'no'. They make SMACKS when they hit the ground.

APPLEJACK
Thank you kindly for helping me
out, Sugar.

TWILIGHT
Don't mention it. I'm gonna give
this friendship thing my all. I
have total trust in Celestia.

SPIKE
Lame.

TWILIGHT
Puh-lease, Spike. The Princess is
very wise and powerful. Everything
she does is for a reason.

SPIKE
Ha. She's not as wise and powerful
as you think.

TWILIGHT
Uh, ya she is.

Suddenly, THE BIRD crashes down on them.

TWILIGHT AND APPLEJACK
Ga!

THE BIRD
Hello. What are **you**... doing
here... In this apple forest?

TWILIGHT
Uh, de... I- it's called an
orchard.

APPLEJACK

Uh, it is a **mango grove**. And The Bird! I thought you told me you were too busy to help pick mangos today. What were you busy doing?

Pause.

THE BIRD

These are mangos?

APPLEJACK

Yah.

THE BIRD

They look like apples.

APPLEJACK

Well they're not! They're mangoes!

THE BIRD

No. No. These are apples.

APPLEJACK

The Bird. You're pushing my buttons!

THE BIRD

It's not even the right climate for mangoes.

APPLEJACK

Oh, that is it! You want to go, Fruit Loop!

THE BIRD

My name is The Bird.

APPLEJACK

It's Skittles now!

THE BIRD

Well maybe you'd like to taste the rainbow, when I punch your face.

APPLEJACK

Bring it, Gumdrop!

TWILIGHT

Okay! Wow! Let's just chill.

CUT TO:

INT. CASTLE - DAY

Shows and establishing shot of Celestia's castle, with eerie music. CELESTIA and LUNA are standing in front of a stained glass window.

CELESTIA

Uh. Yo- your looking better. The color has come back to you.

LUNA

Ya. Well, I'm not on the moon anymore.

CELESTIA

Ah yes, of course. Yes.

Pause.

CELESTIA (CONT'D)

I've got to send some invitations out today.

LUNA

What for?

CELESTIA

For the Grand Galloping Gala!

LUNA

Oh. That's kinda a ways off isn't it?

CELESTIA

Uh... Couple months.

LUNA

It's been a long time since I attended the Grand Galloping Gala.

CELESTIA

Whoa. Luna. What, what the heck?

LUNA

What?!

CELESTIA

You're saying it all wrong.

LUNA

Saying what all wrong?

CELESTIA

The Grand Galloping Gala! You have to say it with an umph.

LUNA
An umph?

CELESTIA
An **umph!**

CELESTIA (CONT'D)
You have to **mean** it.

LUNA
Kay.

Celestia SIGHS.

CELESTIA
Hang on. Let me send this
invitation to Twilight real quick.
Hang on.

CUT TO:

EXT. APPLE ORCHARD - DAY

TWILIGHT, SPIKE, The Bird, and APPLEJACK are still in the orchard.

TWILIGHT
Okay, goodbye.

THE BIRD
Goodbye.

Twilight and Applejack speak simultaneously.

TWILIGHT
Goodbye.

APPLEJACK
Goodbye?

THE BIRD
Goodbye.

TWILIGHT
Goodbye!

THE BIRD
(Quieter)
Goodbye.

TWILIGHT
God!

The Bird flies away.

TWILIGHT (CONT'D)
Is she gone? De... Okay, she's gone, good.

APPLEJACK
Finally.

TWILIGHT
Where'd she get the sass?

APPLEJACK
I don't know, but Sally was lucky you were here to hold me back. I would have pulverized her.

TWILIGHT
Sally?

Spike COUGHS up a letter.

SPIKE
Oh god.

Spike GAGS.

TWILIGHT
The hell is that?

SPIKE
Oh my god. I threw up a letter? I don't even remember eating that. It says, "Dear Twilight, this is Princess Celestia speaking. I cordially invite you to this year's Grand Galloping Gala. Attached are two tickets."

TWILIGHT AND APPLEJACK
The Grand Galloping Gala!

SPIKE
The hell. Why did she send the letter like that? That was awful.

TWILIGHT
Well, Spike, th- that's actually a power that dragons have.

SPIKE
What? Since when?!

TWILIGHT
Since always.

SPIKE
That's stupid! How does that even
work?!

TWILIGHT
Magic.

SPIKE
What?

TWILIGHT
Look at the bright side. You have
an invitation to go to the Grand
Gallopig Gala.

SPIKE
No way... Wm I going to a dance...
Hosted by Celestia.

TWILIGHT
Oh. Okay... I'm sorry that she was
thoughtful enough to invite you!
Applejack. Would you like to go to
the Grand Gallopig Gala with me?

APPLEJACK
Really?

TWILIGHT
Ya. What are friends for?

APPLEJACK
Gee, uh, I don't know. Uh, I gotta
a lot of mangoes to harvest this
season, and... You know... Can you
give me time to consider?

TWILIGHT
Sure.

CUT TO:

INT. CASTLE - DAY

Shows an establishing shot of Celestia's castle, with EERIE
MUSIC. CELESTIA and LUNA are standing in front of a stained
glass window. A short trumpet piece PLAYS everytime
Celestia says 'Grand'.

CELESTIA
Okay, now say it with me, okay?
Grand!

LUNA
Grand?

CELESTIA
Gra- no. Gra- Gra-

LUNA
Gra-

CELESTIA
Grand!

LUNA
(while Celestia says it)
Grand...

CELESTIA
It- no- okay, start on a high
note.

LUNA
That's what I'm doing!

CELESTIA
No, you're not doing it right! No,
shut up! Kay... Say, grand.

Celestia and Luna speak simultaneously.

CELESTIA (CONT'D)
Graaaaaand!

LUNA
Graaaaaand...

CELESTIA
Not, grand...

CELESTIA AND LUNA
Graaaaaa-

CUT TO:

EXT. CAFE - DAY

TWILIGHT and SPIKE are sitting at a table. They are about
to order food.

SPIKE
Hey, Twilight.

TWILIGHT
What?

SPIKE

Since you're such a big fan of Celestia, I'd like to ask you a questio-

TWILIGHT

I'm not a fan! What's- what's your question?

SPIKE

Does Celestia really raise and lower the sun?

TWILIGHT

De... Of course, she does.

SPIKE

Really? What if the sun just went up and down all by itself.

TWILIGHT

What- that's crazy!

SPIKE

Is it? I mean she has to do that every day, right? You'd think she'd slip up once in a while. But **no**. The sun just keeps rising and setting without any flaw.

TWILIGHT

Well, she's that good.

SPIKE

Pfft. No way.

TWILIGHT

Uh, yes way.

It begins to rain. Twilight looks up.

TWILIGHT (CONT'D)

Wha- what the heck?

THE BIRD

Twilight. Twilight! Princess of the Britons!

Pause.

THE BIRD (CONT'D)

Do you get it, Twilight? I- I'm that one guy, from the-

TWILIGHT
Yes. I get it.

Pause.

TWILIGHT (CONT'D)
Do you... Want anything?

THE BIRD
Oh, yes. I came to tell you that I know you got that extra ticket for the Grand Galloping Gala, and I told the entire town about it, and now they all want it.

Pause.

TWILIGHT
Why would you do that?

THE BIRD
Well, I was happy for you and your good fortune... I wanted to tell everypony about it.

Pause.

THE BIRD (CONT'D)
I have to go now. Goodbye.

The Bird closes up the raincloud.

CUT TO:

INT. CASTLE - DAY

Shows and establishing shot of CELESTIA'S castle, with eerie music. CELESTIA and LUNA are standing in front of a stained glass window.

LUNA
I don't see why this matters.

CELESTIA
Oh, it matters!

Luna SIGHS.

LUNA
Okay.

CELESTIA
To be a good princess, one must be
able to awe the masses with their
speeches.

Pause.

CELESTIA (CONT'D)
So that they will worship you.

LUNA
Ye... Ya...

CELESTIA
And then they'll do your bidding.

LUNA
I don't think that's why ponies
worship you. I thi-

CELESTIA
Oh, what are you talking about?
Ponies **dream** of worshipping me!

Pause. A GUARD bows in a stylized fantasy.

LUNA
This is stupid.

CELESTIA
You're stupid!

CUT TO:

INT. LIBRARY - DAY

TWILIGHT walks into her house to find FLUTTERSHY cleaning
it. Fluttershy is poorly SINGING a song.

TWILIGHT
Fluttershy.

FLUTTERSHY
Ahhh!

TWILIGHT
You broke into my house... Again.

FLUTTERSHY
Oh! I'm so sorry, Twilight. You
see I- oh my god, it's that
rabbit.

ANGEL appears. She is making a salad.

FLUTTERSHY (CONT'D)
Oh man... It's been following me
all day, man...

TWILIGHT
Fluttershy.

FLUTTERSHY
Oh my god... What is it doing?
What is it doing?!

TWILIGHT
Fluttershy.

FLUTTERSHY
Rabbits are not supposed to do
that!

TWILIGHT
Fluttershy!

FLUTTERSHY
What?!

TWILIGHT
Get out of my house!

Confetti and trumpets come through the door. PINKIE drags
Twilight out.

CUT TO:

EXT. OUTSIDE THE LIBRARY

TWILIGHT is surrounded by a bunch of PONIES and PINKIE PIE.

PINKIE PIE
Hey, look, everypony! She's the
one The Bird said had the extra
ticket to the Grand Galloping
Gala!

PONIES
The Grand Galloping Gala?!

RANDOM PONY 1
Would you like me to do your
gardening?

RANDOM PONY 2
I found some carrots just lying on
sidewalk, you know... Do you want
them?

RANDOM PONY 4
I'll do your dishes!

TWILIGHT
Run!

RANDOM PONIES make NOISES as she passes them. Twilights goes through a running montage. The footage stops and The Editor apologises for his spelling errors. The footage resumes and Twilight is cornered.

RANDOM PONY 5
It's so sparkly!

She teleports. The ponies GASP.

PONIES
Oh my god, she blew up! She was so young! Where'd she go? This happened one time when I was with Sharline.

CUT TO:

INT. LIBRARY - NIGHT

TWILIGHT and SPIKE appear inside of the Library.

TWILIGHT
Quick! Lock the doors!

She turns on the light and the MANE SIX are there.

TWILIGHT (CONT'D)
Yeee-ahhhh! God! Dammit! Why do you all keep breaking into my house?!

THE BIRD
Whoa.

PINKIE PIE
Well, it is a public Library.

TWILIGHT
Gack... Not on the weekends, it's not! We're closed on the weekends.

Pause.

PINKIE PIE
But, it's a Tuesday.

TWILIGHT

Gack... What do you want with me?

RARITY

Um. You, uh, haven't decided who your going to give the extra ticket to... Twilight. Uh, you need to do that.

TWILIGHT

Oh. The ticket! Okay... Spike... Take a letter.

Spike pulls out parchment.

TWILIGHT (CONT'D)

Dear Princess Celestia, I am most grateful for your invitation to the Grand Galloping Gala. However, due to not being able to decide which of my friends I should give my extra ticket to, I will be returning both tickets.

ALL EXCEPT TWILIGHT

What?

TWILIGHT

Quick! Spike! Send it!

SPIKE

Uh... How?

TWILIGHT

What? Blow fire on it!

Spike sends it.

TWILIGHT (CONT'D)

There. Now no pony gets the ticket.

APPLEJACK

Why, you... Darn nibblet!

TWILIGHT

It's too late! They're gone! I've had enough crazy for today.

APPLEJACK

But, you won't be able to go to the Gala either.

TWILIGHT

Ya, I know. And as much as I hate to say it. It's not really fair if I go and you guys don't.

RARITY

Wow. That's really generous of you, Twilight.

Zoom in on Rarity with a DUN sound.

PINKIE

I say we all have a group hug!

ALL ACCEPT TWILIGHT

Yay!

TWILIGHT

Oh, hehe, hi... Uh, okay. Stop.

Spike begins to COUGH up another letter.

APPLEJACK

Well, wallop my withers, Spike. Isn't that just like a boy? Can't handle the least bit of sentiment.

PINKIE

Ho! The irony!

The letter appears.

TWILIGHT

A letter? From Princess Celestia? What does it say?

SPIKE

Gla. I'm never going to get used to that. Dear Twilight, the other five Elements of Harmony were invited too. I just haven't gotten around to sending the invitations yet 'cause Luna's an idiot. Sorry for the delay. Here are six tickets.

TWILIGHT

Oh! So, we all get to go... Yay.

ALL ACCEPT TWILIGHT

Yay!

15.

SPIKE

And here's a ticket for your
roommate, Spike, as well... Ah,
fu-
